BEST CHILD CARE CENTER • PLATINUM

High Point Child Care Learning Center provides care for Infants of at least six weeks of age through five years during the normal school year. We also accept school-age children into our summer program up to age twelve. Our 3-year-old, 4-year-old, and Pre-K classes benefit from our Kindergarten preparatory curriculum taught in our pre-school program. We offer curriculum for all ages for your child to master the skills and concepts appropriate for their age. We accomplish this by training our teachers to identify each individual learning style, whether it be visual (seeing), tactile (feeling), or audio (hearing). The teachers challenge the children with activities to stimulate learning and growth. Our classrooms are arranged into

learning centers to provide a wide range of educational opportunities in Art, Language, Reading, Math, Blocks, Manipulatives, Science, and Social Studies. Tours are available daily; call us today to set up a convenient time for your family to visit one of our centers. Our West location can be reached at (812) 425-8687 and our East location at (812) 475-9850.

YOUR CHILD IS THE HIGH POINT OF OUR DAY!
